0300 555 5055

Childhood Flu Vaccination

DOB Cohorts: 1 September 2008 to 31 August 2015

October to December

Human Papilloma Virus Vaccination

DOB Cohorts:

Girls - 1 September 2005 to 31 August 2007

Boys - 1 September 2006 to 31 August 2007

January to April

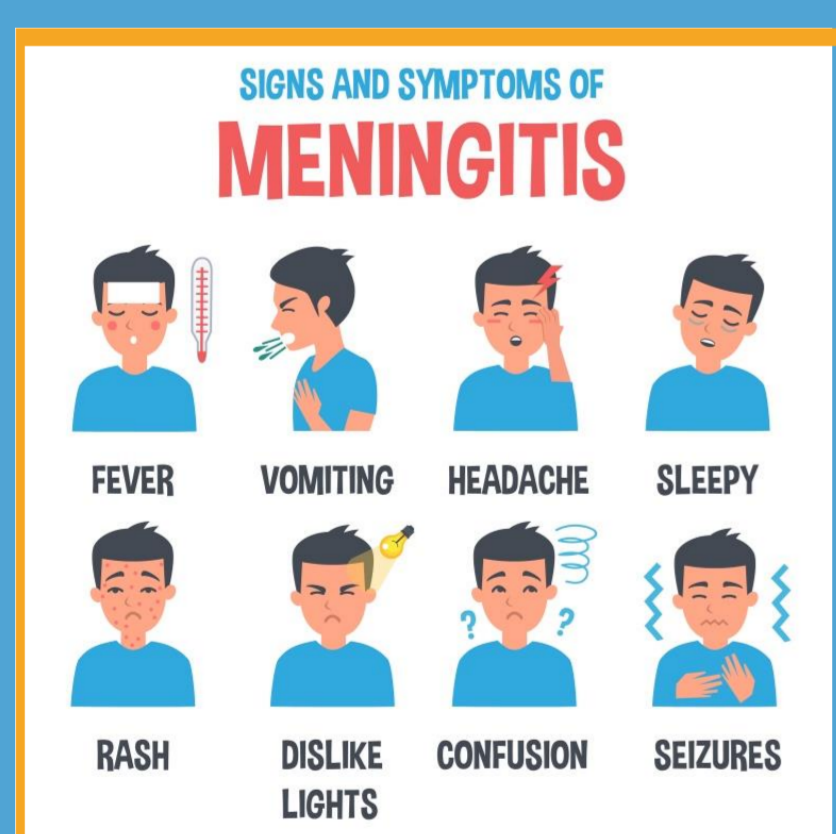

Reminders

Children and young people who are in a different school year from their age will still be eligible.

The offer is made in all state schools, academies, special schools, independent schools, alternative provision settings and children who are educated at home.

We offer catch-up community clinics to children not educated in school, for absent children and for those who have missed the consent cut-off date.

Meningococcal ACWY & TdIPV
